**Re: FERC Project No. 2589**  
**Article 416 – Confirmation of Canoe Portage Signage**

Dear Ms. Salas:

The Marquette Board of Light and Power is filing with the Commission, as required in the *Order Approving Recreation Plan – Under Article 416 (Issued December 13, 2004)*, the following concerning the installation of canoe portage signage:

- 1) Map and location of portage route
- 2) Design drawings that include text, images, and dimensions of signage
- 3) Pictures of installed signage for verification (with coordinates provided)

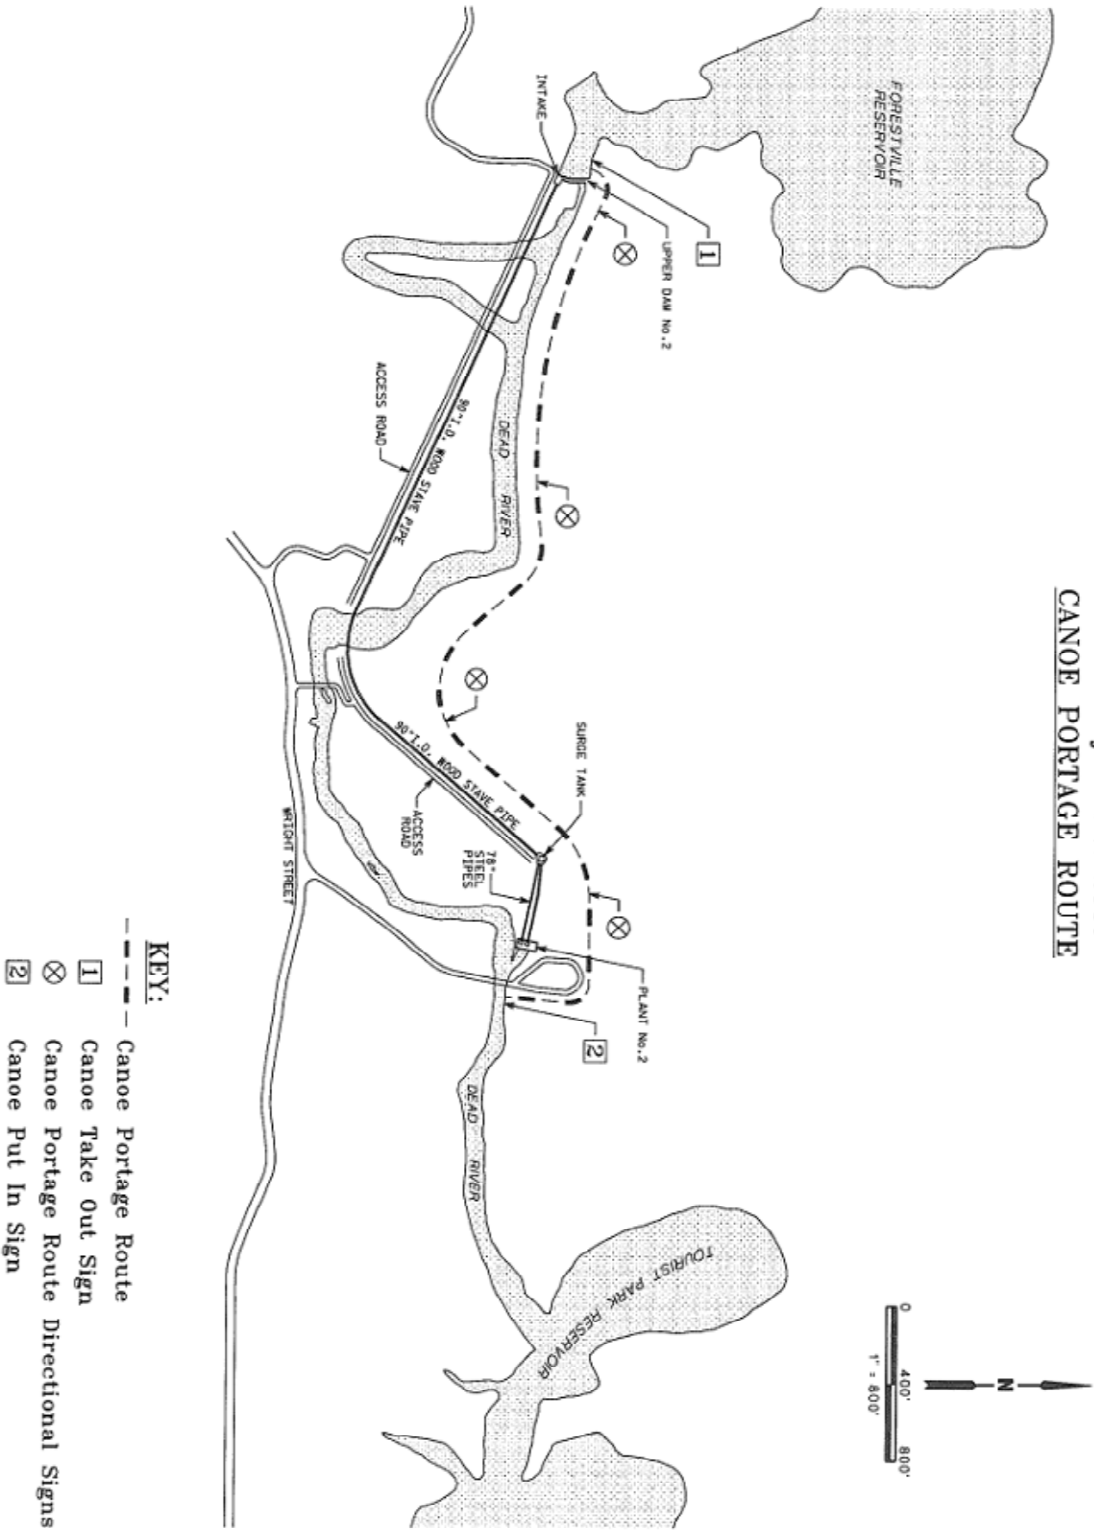

We trust that this submission satisfies the requirements in item (B) of the Director orders in the above reference approval of the Recreation Plan.

Sincerely,

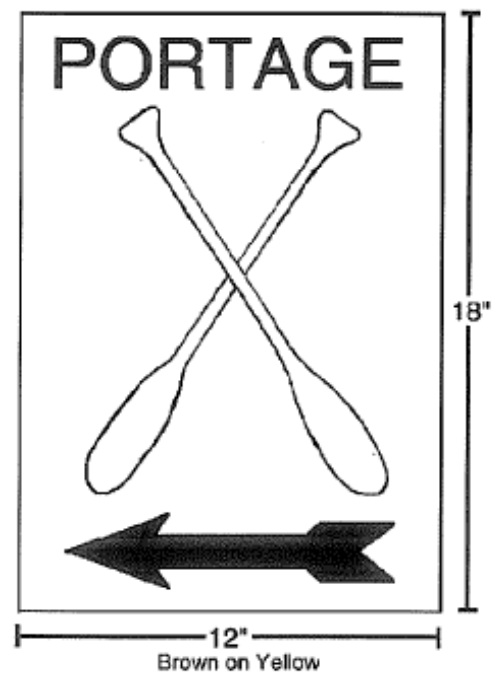

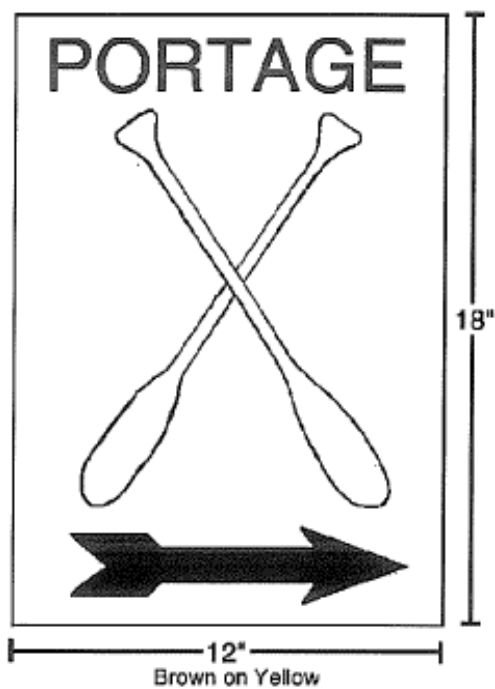

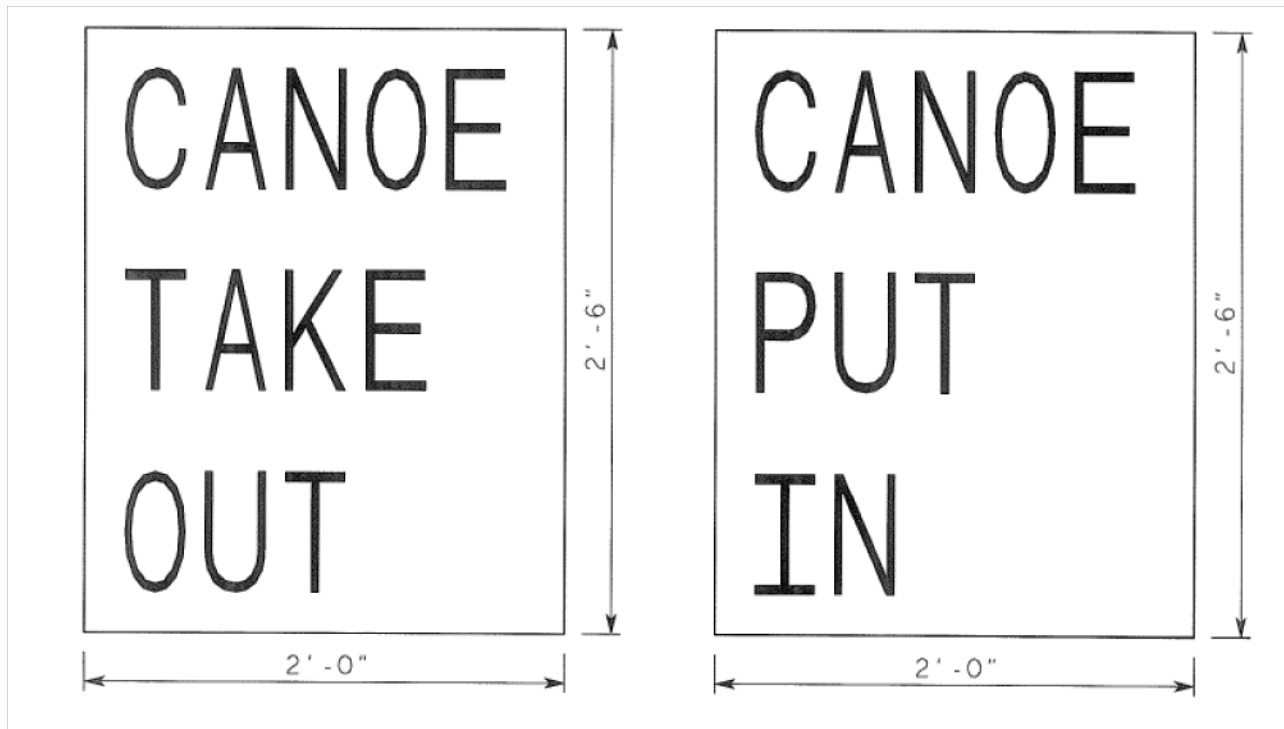

Erik Booth  
Supervisor of Utility Compliance
